

Dear Preschool Parents,

We are excited to share that your child will soon be experiencing their Faith Milestone here at Smyrna First!

Save the Date: Sunday, October 5

During their Sunday School hour, our 3- and 4-year-olds will participate in the *“Jesus Loves Me”* milestone. Through beloved Bible stories, they will discover the simple but powerful truth that Jesus loves them deeply. As part of this special milestone, each child will receive their very own **Beginner’s Bible** to take home, so they can continue learning and growing in God’s Word with you.

We hope your child will bring their Bible back with them to church each Sunday, so they can begin to practice using it alongside their teachers and friends. This milestone will take place right in their classroom, and we can’t wait to celebrate this important step in their faith journey with them.

In His Service

Estee & Marie
