ONLINE HOST

Every Sunday our 9am and 11am services offer a digital option to engage our congregation. Our online presence brings Smyrna First UMC to homes locally and nationally and we want to make everyone feel like they are part of our service. Each week we have someone interact by welcoming and answering questions throughout the service. We would love to put a team together that can host a service on a rotation schedule. If this sounds interesting to you, please contact Shirley Westmoreland at swestmoreland@smyrnafumc.org for more info.

DIGITAL TEAM

If you would like to work behind the scenes at any of our services with the digital team, please contact Jesse Davis, jdavis@smyrnafumc.org. No experience necessary.
