

**Pete P. Singson, MD**

Medical Director,  
HIV/STI/TB Section,  
Oregon Health Authority

Dr. Singson is the medical director for the HST Section of Oregon Health Authority where he provides public health guidance pertaining to reportable sexually transmitted infections and oversight of epidemiologic projects and grant funded programs which aim to improve population health. He is originally from Chicago, a graduate of Northwestern University Feinberg School of Medicine, and board certified in Obstetrics and Gynecology. Prior to joining the OHA team, Dr. Singson worked at Legacy Emanuel and Randall Children's Hospital as an OB hospitalist and clinical informaticist for 18 years.

## OREGON SYPHILIS UPDATE

**Wednesday, September 24**  
**8:00 am - 9:00 am PST**

**Online via Zoom**

Join the HIV/STI Program at OPCA and Dr. Pete P. Singson for a high-level overview of recent syphilis trends in Oregon, paired with practical, case-based discussion. Content will cover screening, diagnosis, and treatment, including considerations for pregnancy.
