

29th Annual Parish Nurse and Congregational Health Ministries Conference

Dear Sisters and Brothers in Christ,

Welcome to our 29th annual conference! This year's gathering is based on Joshua 1:9: *Have I not commanded thee? Be strong and of good courage. Be not afraid, neither be thou dismayed. For the Lord thy God is with you wherever you go.*

We have learned this past year more than ever that life can be full of challenges, sorrows, and tough directions. But even amidst hardship, the Lord counsels us to be strong and courageous. These comforting words from the book of Joshua can apply to all of us as we overcome unique challenges: COVID 19, financial strains, social isolation, and many more.

As we prayerfully seek His direction, study His word, and follow His example, we will have the courage to let go of fear and to face challenges. We will serve our Heavenly Father in our churches and communities.

This annual national gathering of nurses, pastors, lay ministers and others helps us all focus on our calling to caring vocations, to share and tell the love of Christ, and to serve Him in all we do. It includes many opportunities to gain new knowledge, network with peers, and share resources to help us all develop new programs and ministries in congregational health.

I hope to see you in May 2021 at the 29th annual conference. If you cannot attend, please pray for a successful conference!

Your sister in Christ,

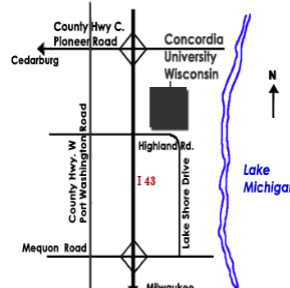

Carol Lueders Bolwerk, PhD, RN
