

## MOVIES THAT MATTER RETURNS! (but is a bit different this year.)

Become a Sponsor for Movies That Matter [CLICK HERE](#)

Due to the need to socially distance AND theaters being currently closed, this year's movies will be viewed on your own at home and the panels will take place on Zoom, an internet-based video conferencing platform.

The panels will be made up of people involved with the films and/or the causes addressed in the films. We will be discussing how these issues affect Southwest Florida, and how you can help.

Reservations for tickets to the films and panels are free. To RSVP, [CLICK HERE](#) or go to [hmcec.org](http://hmcec.org) and click on "Event Tickets."

**Sponsorships are available and fully deductible. Platinum Level \$500, Gold Level \$250, Silver Level \$100. Each sponsor will be recognized on all promotional emails to our entire email list of over 4,000 households, during each movies' Zoom panel, and on our website.**
