BOAR'S HEAD RESORT

## REAGAN DAVIS

Reagan is an active pickleball player, participating in USA Pickleball sanctioned tournaments as well as recreational play within the city of Charlottesville.

Before moving to Charlottesville with his wife, Jessica and dog Lilly, Reagan served as director of player personnel for the James Madison University football team. For three seasons, including a national championship win, he worked as the assistant to the defensive and special teams coordinators. With experience in hospitality, planning and coaching, Reagan aims to provide a wonderful pickleball experience for members and resort guests. “By providing multiple avenues of play such as dinks and drinks, organized skill based sessions, round robins, clinics and tournaments, Boar’s Head pickleball caters to every player.”
