ADVANTAGES OF A NON-GOLF GOLF EVENT

Reimagine how golf can be used as a vehicle to convey a message or build comradery with your team.

Par-3 golf is a fun way to improve employee collaboration, increase communication and boost employee morale.

THE NEST OFFERS TWO DISTINCT PLAYING FORMATS FOR YOUR TEAM

- SHOTGUN START for 36 players or less
- 2 TEE-TIME FORMAT for 12 players or more

After your team's round at the Par-3 course, our staff will incorporate several fun and beginner-friendly golf skill games.

ADD PICKLEBALL TO YOUR SOCIAL EVENT

Just Steps Away from The Nest

Fitting a niche that falls gently between tennis and pingpong, pickleball is an easy-to-play activity that can be wildly entertaining, even for people who have never picked up a paddle. Much less intimidating than tennis, the wifflestyle ball travels slower and the game is played on a court about half the size of a traditional tennis court.

For the fun-loving crowd looking for an escape from their meeting, we have six outdoor courts and multiple indoor options, and our team can set up a group playing experience that will entertain all skill levels.
