All boys are strongly encouraged to participate in both days of tryouts; but it is mandatory to attend at least one session. Practices begin in October and games begin in January. The season runs until mid March, just prior to Spring Break. Register on site; no tryout fees. Attend the current school grade level tryout. Please bring a reversible (light/dark) top and ball.

The vision is to focus on total player development and prepare boys to play at the high school level by leveraging coaching, facilities and system developed with the Saint Viator HS Basketball Program. We are not run through Saint Viator High School nor its athletic department. We are a Feeder program run by Joe Rooney in accordance with a local Feeder league. We will likely have two or three teams at each grade level.

Any questions, please don't hesitate to contact the Director of the Feeder Program
