PLAY LIKE A CHAMPION TODAY®

Character Education Through Sports

Play Like a Champion Today provides leadership in an effort to renew the culture of youth sport. It does this by educating ethically responsible sport leaders. These coaches, parents, and athletic administrators in turn will reach millions of young people.

Sport as Ministry Educational Program

Crafted by leaders in the fields of sports psychology, coaching education, Catholic theology, and moral development, Play Like a Champion Today is centered around the principles of justice, tolerance, respect & solidarity. The program is supported by research on character development & faith formation in sports. From its origins at the University of Notre Dame to collaboration across the country, Play Like a Champion is designed to bring the best athlete-centered practices to our Catholic School sports programs.
