#### HOW IT WORKS:

The Virtual Job Fair is being held on [Premier Virtual](#), an online platform that allows job seekers to view employers' virtual booth, view each company's information, review current job openings, and submit a resume. Job seekers can also instant message and video chat with employers using the platform. Visit this link to learn more about how to use Premier Virtual:

[What is Premier Virtual?](#)

Interested job seekers must first pre-register themselves for this event on [JobQuest](#) (or by contacting the MassHire Central Career Center) with their JobQuest Job Seeker ID Number, in order to receive the unique link to access and then register on Premier Virtual.

Job seekers will be sent the unique link to Premier Virtual the day before the event. When registering for the event on Premier Virtual, job seekers must provide their name, email, phone number, MassHire/JobQuest Job Seeker ID Number, and upload a resume (or a typed professional summary) in PDF format in order to participate. Job seekers have the option to include a professional headshot in the Premier Virtual profile.
