

2026 Western Washington Short School & Trade Show
For Water & Wastewater Operators, Engineers & Managers

2026 Western Washington Short School & Trade Show for Water and Wastewater Operators, Engineers, and Managers June 2 & 3, 2026

Operator Scholarship Application ***Live at the Tulalip Resort & Virtual!***

Thank you for applying for an Operator Scholarship to the 2026 Western Washington Short School sponsored by the Northwest Washington Subsection of AWWA and the Western Washington Region of PNCWA/WEF. The AWWA Water Equation and PNWS Education & Training Endowment have teamed to provide up to 30 scholarships for 1/2 of the registration fee for water or wastewater operators for this training event. You do not need to be a certified operator to get a scholarship. Scholarships are open to anyone who works for a utility or other entity who is “in the trenches” so to speak, working on the production and distribution of potable or reuse water, or conveyance and treatment of wastewater.

We need you to complete this scholarship application form and email it to: Jeff Lundt – jalundt53@gmail.com within 7 calendar days of registering. **Deadline for submitting scholarship applications is COB Wednesday May 20th.**

If you have any questions, please contact Jeff Lundt at jalundt53@gmail.com or 206/552-6131.
