

2022 Western Washington Short School & Trade Show for Water and Wastewater Operators, Engineers and Managers June 7 & 8, 2022

Operator Scholarship Application

“We’re gonna be live in Lynnwood!”

Thank you for applying for an Operator Scholarship to the 2022 Virtual Short School sponsored by the Northwest Washington Subsection of AWWA and the Western Washington Region of PNCWA/WEF. The AWWA Water Equation and PNWS Education & Training Endowment have teamed to provide up to 75 scholarships for 2/3's of the registration fee for water or wastewater operators for this training event. You do not need to be a certified operator to get a scholarship. Scholarships are open to anyone who works for a utility or other entity who is "in the trenches" so to speak, working on the production and distribution of potable or reuse water, or conveyance and treatment of wastewater.

We need you to complete this scholarship application form and email it to: Jeff Lundt – jeff.lundt@kingcounty.gov within 7 calendar days of registering. **Deadline for submitting scholarship applications is COB Wednesday June 1st.**

If you have any questions, please contact Jeff Lundt at jeff.lundt@kingcounty.gov or 206/477-5582.

Also, your scholarship includes a one-year membership to AWWA so that you can use all resources and become involved in your local Section.

Name:	<input type="text"/>	Application date:	<input type="text"/>
Utility:	<input type="text"/>		
Address1:	<input type="text"/>	Address 2:	<input type="text"/>
