# MEMBERSHIP MATTERS

★TEXAS IMPACT  
PEOPLE OF FAITH WORKING FOR JUSTICE

## Thanks for being part of the Texas Impact community!

As a Texas Impact network participant, you appreciate the importance of trustworthy data.

In a time when “information” is everywhere, Texans of faith and conscience depend on Texas Impact for insightful policy analysis and thoughtful faith framing.

And Texas Impact depends on our members to help support our work—especially when the legislature is in session.

During regular and special sessions, member dues from folks like you are how we mobilize Texans for and against bills. Tax-deductible donations and grants are a vital part of our year-round work; however, we *cannot use those funds to support lobbying*.

***As we gear up for the special session, can we count on you to join Texas Impact as a member?***

Join as a member today!

Your membership dues go directly toward equipping and mobilizing people of faith across the state for legislative engagement.

Our members are the backbone of Texas Impact. As Texas Impact's Membership Manager, my job is to support your work and to be your membership cheerleader. Please do not hesitate to reach out to me if you have any questions about your membership. Your membership matters!

Yours in faith,

Kat Karbach  
Texas Impact Membership Manager
