Supervised Ministry 3 (SM3) begins September 3, 2025

The Supervised Ministry Series is designed to provide a practical internship in pastoral ministry over an eighteen-month progression. The arc of this series begins with entering a new place of ministry and concludes with leaving a place of ministry. Along this arc, as part of six asynchronous online courses, participants will explore issues of pastoral role, identity, leadership, ministry functions, organizational dynamics, and theological reflection. The core nine-week courses for this series are:

SM 1 Entering a Place of Ministry
SM 2 The Transformative Context of Pastoral Care
SM 3 The Practice of Worship Leadership
SM 4 Faith Formation in the Parish
SM 5 Leadership in the Midst of Change
SM 6 Leaving a Place of Ministry

- To be enrolled in Supervised Ministry courses, a participant is required to be engaged in pastoral ministry about 6 to 8 hours each week under the guidance of a site supervisor.
- There will be a required three-week Supervised Ministry Orientation course for all participants and site supervisors prior to the first course.

PATHWAYS Early Fall Course Schedule
