## Question, Persuade, Refer (QPR) Train the Trainer

Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. Each year thousands of Americans, like you, are saying "Yes" to saving the life of a friend, colleague, sibling, or neighbor. This certification course trains Instructors to teach *QPR for Suicide Prevention* to their community.
