Life Outcomes: The Dangers of Underage Drinking & Inhalant Use and Marshfield Area Youth Risk Behavior Survey Results

Adolescent use of alcohol and drugs can have life-long consequences. Hear from a panel of local professionals on the dangers and consequences of underage drinking and inhalant use. Learn how to effectively talk to your kids about what they should do if they encounter a peer using alcohol, inhalants or other drugs. Receive a copy of the 2017 Marshfield area Youth Risk Behavior Survey (YRBS) results.
