Approximately 11 percent of the school population cast their vote! Applications recently closed for five board positions. Oath taking is scheduled at the A.S. board meeting on Wednesday, May 9th, 3:00pm, in Diaz Compean Student Union meeting room 1A. Please come by and support your newly appointed student representatives!

Additionally, I would like to congratulate the 2018 recipients of the A.S. 55 Award. This distinction given annually by Associated Students honors students who make a difference at SJSU and the community. Thirty seven well-deserving Spartans will receive the prestigious accolade at the 7th Student Leadership Gala on Tuesday, May 8th, 5pm at the Diaz Compean Student Union Ballroom. You can find a list of all the awardees [here](#).

Associated Students awarded a total of \$82,000 in scholarships in Spring to exemplary SJSU students. The recipients will receive their scholarships for the 2018-2019 school year. The A.S. scholarship program is one of the many ways this organization acknowledges hard work and accomplishments that Spartans put into their academics, community service, and the well being of our campus.

It has been my pleasure serving as your A.S. Director of Communications for the 2017-2018 school year. Do not forget to follow all things A.S. in our Spartan Scoop newsletter which will start back up in September.

Have a great summer, Spartans! And congratulations to all 2018 graduates!
