

# BIKES ON TRANSIT

**VTA** All VTA buses are equipped with exterior bike racks that accommodate up to two bicycles. When the racks are filled, two bicycles are allowed inside the bus, subject to the driver's discretion.

All light rail vehicles are also equipped with interior bike racks, accommodating up to four bicycles.

**HWY 17 EXPRESS** These buses are equipped with front-mounted racks with space for three standard-size bicycles.

**CALTRAIN** Each bike car can carry a maximum of 24-40 bicycles. The bike car is located in the middle and northernmost end of the train.

**BART** During non-commute hours, bikes are allowed on all trains except for the first car. During commute hours, bikes are not allowed in the first 3 hours. Folded bikes are allowed in all cars at all times.

**ACE** Each bike car has 14 bike stalls with 2 additional stalls on the lower level. Look for the BIKE CAR sign affixed to door locations of the car.

**BIKESHARE** A short-term bicycle rental service with discounted student memberships. Drop off at any kiosk in the service area. Learn more at [ts.sjsu.edu](https://ts.sjsu.edu) on the Exclusive Student Offers page.
