

Hi, Spartans!

May is an exciting time as we wrap up our academics and wait for the summer sun!

First thing's first: congratulations to all the graduating seniors preparing for convocation! We hope that A.S. has helped enhance your SJSU experience in one way or another!

Thank you too for a successful A.S. Elections! Our Students' Election Commission (SEC) reported a total of 3,946 votes, representing 13.6 percent of our student population, the highest turnout in recent years. The term of the new 2017-2018 board starts on June 1st. To meet the incoming directors and view details of election results, visit as.sjsu.edu/vote.

Please continue to get involved by joining an A.S. committee or applying for jobs. Our departments remain open in the summer so come in anytime if you have more questions.

Currently, our Director of Student Resource Affairs, Jack Spica, is creating a resource guide, especially for new, transferring and returning SJSU students to more easily become aware of the numerous programs and services offered on campus. Keep a lookout for the online version and printed copies being made available in the fall.

The 6th Annual Student Leadership Gala will be held on Wednesday, May 3rd from 5:00pm–7:00pm in the Diaz Compean Student Union Ballroom. We will be celebrating and honoring our student leaders, particularly the A.S. 55 recipients, A.S. Board of Directors, and those from our A.S. César E. Chavez Community Action Center. The gala is also the venue for students being recognized by Student Involvement, Wellness and Health Promotion, PRIDE Center, Gender Equity Center and the MOSAIC Cross Cultural Center. Doors open at 4:30pm. Everyone is welcome!

As our year wraps up, I'd like to extend my gratitude to all of you reading the monthly Government Corner. It has been a pleasure updating you this year on all things government.

Cheers!

Jasmine
