Letter of Resignation as Town Manager of Juno Beach

Dear Town Council,

In accordance with my contract, please accept this letter as my written sixty-day notice of resignation as the Town Manager of Juno Beach.

The recent passing of my brother at such a young age has caused me to reflect upon my own life and led me to the conclusion that leaving Juno Beach would be the best option for me.

I want to thank you for giving me the opportunity to serve you and the residents of Juno Beach, I have enjoyed working alongside the amazing staff of the Town and hope you all continue to recognize their merit.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dyess', with a stylized, flowing script.
