30 YEARS OF IMPACT:

BUILDING ON THE PAST, STRENGTHENING THE PRESENT, SHAPING THE FUTURE

As a supporter of The Education Foundation of Alachua County Take Stock in Children (TSIC) program, I want to express my deepest thanks for 30 years of investing in scholarships and mentorship. Since 1995, we've been able to break the cycle of poverty for 1,294 students in Alachua County. This is over \$10.5 million dollars invested directly into the futures of TSIC students with donations matched dollar for dollar by the Florida Prepaid Foundation Stars Program.

As a 2010 Take Stock in Children recipient, I can personally speak to the power of this program. I am incredibly grateful for the opportunity it provided me and for 44,136 students across the state of Florida since inception. Whether you're a long-term supporter, alumni, or new mentor, we invite you to celebrate this incredible milestone with us at the **TSIC 30th Anniversary Celebration Dinner!**

Please join us in honoring the legacy of mentorship and scholarship and ringing in the future of Take Stock in Children for Alachua County students on October 2nd from 5:30-8 pm at the Gainesville Woman's Club.

This will be our culminating fundraising event for 2025 — a celebration of legacy and community! We'll come together to share powerful alumni stories, enjoy some spirited trivia, and rally support for the future. A special feature of the event will be our interactive fundraising wall, creatively showcasing the successes of our alumni — a living testament to the impact of your support. Every story shared, every gift given, helps build the next 30 years of student success.
