

## HANSON's Back to the Island 2021

### Postponement Terms

**If you would like to keep your booking and transfer your reservation to 6-10 January 2022, you do not need to do anything!**

- \* You will keep your room category, current pricing and discounts.
- \* You will not need to make any additional payments until early 2021. The current balance you now have on your account will be distributed equally over the 2022 event payment window, so you will have a much lower monthly payment than usual.
- \* Once we resume package sales in early 2021, a new payment schedule will be posted.
- \* If you have paid for travel insurance it will be transferred to the new dates on your account.

**If you are unable to keep your booking for any reason, you will need to complete the cancellation form at the link below.**

- \* Cancellations can only be accepted via this form.
- \* By cancelling your reservation you will be relinquishing your room and any discounts that applied to your reservation. If you choose to rebook at a later date we are not be able to guarantee room placement or the room rate.
- \* While most cancellations will be processed in a couple of weeks, it can take up to 45 days to post to your account.
- \* Cancellations must be received by August 31, 2020. After this date, all reservations in our system will be deemed firm and our normal refund policy will be in effect.

If you would like to cancel with a refund please complete the process [here](#).
