

# **Workshop For Leaders and Pastors**

**in congregations that have recently or  
are considering going from  
full-time to part-time  
pastoral leadership**

**Friday, Nov. 17 to Saturday, Nov. 18  
noon to noon at Holmes**

The Transitional Ministry Education Consortium (TMEC) of the PCUSA is providing a brand new education/training event and it is being supported by the HRP's Committee on Ministry (COM). It is for congregational and pastoral leaders in congregations who have recently had to go, or may soon need to go, from full-time to part-time pastoral leadership. This workshop will provide some training to help with that transition, to help accentuate the positives and possibilities while addressing the fears and challenges.

It is expected that this offering will be helpful for those making this transition and hoped that it will be utilized as we believe there is a great need for this type of event. Since this is the first time this is being offered in the PCUSA, TMEC is covering half the costs while our COM is covering the other half.
