Faith Meets Action 2020

Today's youth are active participants in the world around them. They consume the news from a variety of outlets, they engage in social commentary, and they crave authenticity. Many of them have grown up in the pews, in our Sunday School classes, and now in our youth programs. Yet, too often they find it difficult to connect their faith to the world around them and to their desire to make a positive **IMPACTNow!** Your Senior High youth group, or your individual SH youth, are invited to a unique experiential conference and mission trip.

A Presbyterian Clergyman, An Episcopalian Priest, A Congregational Minister, and A Baptist Pastor (No, this isn't the beginning of a joke) have come together to design and lead this alternative opportunity for Christian youth to learn more about how their faith directly affects the ways in which they engage with the major societal issues of the day!

From Saturday afternoon, June 27 to Wednesday morning, July 1, youth will participate in experiences and conversations that will deepen their understanding of the faith in which they have been raised and their Christian responsibilities toward the world around them. All of this will happen in the beautiful setting of Holmes Camp and Conference Center, giving the youth the added benefit of experiencing all that camping ministry has to offer including high ropes course, swimming, boating, campfires and more. For the mathematically inclined, this is:

Mission Trip + Youth Conference + Church Camp + Christian Education = Faith + Action.

Food and Programming are all provided. Now, we just need you! The ACTUAL cost exceeds \$500 per person. However, we are in the midst of grant writing and fund-raising and hope to lower that fee as much as possible in the coming weeks and months. And, we will work with your group to meet your needs and budget!

For more information, or to register your group or youth, please e-mail Rev. Pete Jones at revpetejones@gmail.com.

Space is limited, so sign up ASAP!

Join with us and help create something new, as we come alongside our youth to make and IMPACTNow!
