Rooted and grounded in love!

Come discover God's call for you!

Don't ask what the world needs. Ask what makes you alive, for what the world needs is YOU fully alive! - Howard Thurman

It is said that each of us comes into this life with sealed orders. We each have a unique set of passions and strengths, and carry within us a desire to make a difference. History books, childhood tales, contemporary films all point to the universal questions: Why am I here? What is my purpose? This is an opportunity to honor your life story.

This workshop is designed to help you connect with the uniqueness that makes you, you! It is intended to help you deepen (or claim for the first time) the call that is uniquely yours that you might be FULLY ALIVE!

Our workshop leader is Dr. Deborah Rundlett. Debbie brings three decades of deep expertise and certification in Organizational Development, the Spiritual Formation of Leaders, and Strength-based Coaching. It is her joy to serve as the pastor of the Ridgebury Congregational Church and also coach for The Messinger Group.

Mark your calendar for Saturday, January 12 from 9am-noon and RSVP to Jennifer Wilson at jlwilsn@gmail.com. You will be blessed!
