SPEED NETWORKING EVENT

**MARCH 25 | 11:00AM - 12:20PM AT
PRIVATE DINING ROOM (PDR)**

Midland University Dunklau School of Business and internNE, Powered by Aksarben are partnering up and hosting a Speed Networking event with business professionals and Midland University students to learn more about companies, culture, and internship opportunities.

What to Expect:

- Networking to meet diverse professionals
- Exchange ideas, insights, and contacts
- Discover internship and collaboration opportunities

Students in Business School Programs of Study:

This dynamic session will provide valuable opportunities for participants to expand their professional networks and explore potential collaborations and opportunities.

Business Professionals

Prepare to discuss internship opportunities available at your company and bring materials or resources to share with students.
