# RIBBON CUTTING & RE-OPENING CEREMONY

Join us as we celebrate the newly renovated  
Radiation Oncology Clinic at Methodist Fremont Health!

We're proud to unveil our enhanced space and the addition of the Varian TrueBeam  
linear accelerator — a state-of-the-art radiotherapy system designed to  
precisely and effectively target cancer while protecting healthy tissue.

This milestone reflects our continued commitment to providing advanced,  
comprehensive cancer care—close to home.

*Friday, April 11*

*9:00 a.m.*
