

# FREMONT AREA BIG GIVE Business Engagement Opportunities

The Fremont Area Community Foundation is gearing up for the tenth Fremont Area Big Give, which will be held on May 7th, 2026! And since statistics show that employees are attracted to companies that incorporate “giving back” into their company culture, we are offering two great ways for your organization to get involved!

## Business Fundraiser:

Boost employee giving by offering matching dollars during the Big Give! The Big Give platform provides a dedicated link to share with your employees, a dedicated dashboard to track giving, and offers community visibility by displaying your company name/logo on the Fremont Area Big Give website!

## Donation Match/Challenge:

In this option, a business identifies a nonprofit organization it wants to support directly through a donation match or challenge, which in turn incentivizes donors to make a greater impact to that nonprofit with their Big Give donation. Both options are very customizable based on how a business wants to set them up.
