

2025 Nebraska Holiday Passport Applications Now Open

The Nebraska Holiday Passport is back for its fourth year, and Visit Nebraska is looking for stops! This mini-Passport will offer approximately 20 unique Holiday stores, experiences and ways to make memories.

The 2025 program will be slightly different than in previous years. We are still working through the specifics, but the core of the program remains the same - Passporters traveling the state and discovering new destinations during the Holidays. The 2025 program will run from mid-November, 2025 through Jan 11, 2026.

It is essential for potential stops to be open a majority of this time (with exclusions for Thanksgiving, Christmas and New Years).

The last day to apply is August 1, 2025.

Learn more about the Nebraska Holiday Passport at NebraskaPassport.com/holiday. Various holiday events are scheduled at several of the stops as well, and a calendar of events will be available on the website.
