

***Legacy Landscapes***  
***An Art Exhibition 25 Years In the Making***

To celebrate 25 years of land conservation, The Couchiching Conservancy is presenting "**Legacy Landscapes**", an art exhibition highlighting the natural beauty of our unique properties. Several professional landscape artists have been invited to create their impressions of Conservancy landscapes, with the Orillia Museum of Art and History partnering to provide gallery space for this impressive collection. "**Legacy Landscapes**" will open Saturday November 10, 2018 at 1:00 in the Carmichael Galley of the Orillia Museum of Art and History. Regular admission fees are waived for the opening so that many may attend this celebration. This special show will continue until March 24, 2019.

Many of the artworks will be available for purchase, with proceeds divided between the artist, OMAH, and Couchiching Conservancy. A catalogue of the show is being prepared and will be available at a later date.
