

## *Volunteer Appreciation Event!*

Lunch and Learn

Monday January 16, 2017 Noon to 1:30 pm

Orillia Public Library

### ***Aquatic Invasive Species***

Join us for lunch at the Orillia Public Library and learn about Aquatic Invasive Species from Brook Schryer of the Ontario Invasive Plant Council. You will not only learn to identify Aquatic Invasives but how to report your sightings. This free event is open to all Conservancy volunteers.

Registration is limited to 50 people, so please RSVP as soon as possible if you plan to attend. Contact: [volunteer@couchconservancy.ca](mailto:volunteer@couchconservancy.ca) or phone the office: (705) 326-1620

Brook Schryer is the Aquatic Invasive Species Outreach Liaison with the Invading Species Awareness Program of the Ontario Federation of Anglers and Hunters.

Brook completed his Honours Bachelor degree in Environmental and Resource Studies at Trent University in 2013.

Following the completion of his undergraduate degree, he pursued a Master's degree in Sustainability Studies focused on the motivations, ethics, and sustainability of hunting in Ontario, also from Trent University.
