School Executive Management Institute (SEMI)

Planning forms have been submitted for Continuing Education Units for the following disciplines:

Ellisville State School is a designated provider of continuing education units for Mississippi Department of Mental Health's (DMH) Certified/Licensed Mental Health Therapists, DMH Certified/Licensed Intellectual and Developmental Disabilities Therapists, Licensed DMH Administrators, DMH Certified Community Support Specialists, and attendance certificates for the above named training.

Ellisville State School has applied to the Mississippi Board of Nursing Home Administrators (MBNHA) to offer continuing education units for nursing home administrators. MBNHA maintains responsibility for the educational program and its content.

Ellisville State School has applied to the Mississippi Board of Examiners for Social Workers and Marriage & Family Therapists (MBOE) to offer continuing education units for social workers. MBOE maintains responsibility for the educational program and its content.

Educator continuing education units are approved through accredited programs by several Mississippi university programs. Forms and more information may be obtained at the training.

School Executive Management Institute (SEMI) credits are approved through Mississippi's Department of Education.
