Statement of Application and Certification 2025

Individually, or as the general partner(s) or officers of the applicant entity, I (we) am (are) familiar with the provisions which are applicable to this Application Package: the Tax Reform Act of 1986, Section 42 of the Internal Revenue Code, Title II of the National Affordable Housing Act of 1990, and their subsequent revisions, with respect to the HOME Investments Partnership Program, the Low-Income Housing Tax Credit Program, and the Multifamily Housing Revenue Bond Program (hereinafter referred to collectively as the "Programs"). To the best of my (our) knowledge and belief, the applicant entity has complied or will comply with all of the requirements applicable to this Application Package which are prerequisite to issuance of HOME Funds, the Low-Income Housing Tax Credits, and/or the issuance of Alabama Housing Finance Authority (the "AHFA") Multifamily Housing Revenue Bonds (hereinafter referred to collectively as "Funds") by AHFA. I (We) understand the Programs will be governed and controlled by rules and regulations to be issued by the United States Department of the Treasury, Internal Revenue Service, HUD, or any other government entity given jurisdiction with respect to them. I (We) further understand that any final allocation of Funds will be further governed and controlled by AHFA's policies, guidelines, procedures and/or criteria in place when the Project is Placed in Service (the "Applicable Criteria"), and that the use of the Applicable Criteria might result in my (our) receiving a smaller amount of Funds than may be initially reserved for the Project.

To the best of my (our) knowledge and belief, no information contained in this Application Package or in required attachments and/or third-party reports is in any way false or incorrect; they are truly descriptive of the Project for which the Funds are being applied; and the proposed construction will not violate zoning ordinances or deed restrictions. The estimates of income, expenses, and costs set forth in the Application Package are true and correct as computed by me and/or given to me by consultants, contractors or payees for the development. The estimates were determined from factual data in the market in which the Project is located.

I (We) hereby make application to AHFA in order to induce AHFA to perform all acts necessary, proper, and appropriate to proceed toward providing financing of the Project proposed by this Application Package. I (We) agree that AHFA and its directors, officers, employees and agents will not be held responsible or liable for any representations made to the undersigned or investors relating to the Programs. I (We) also understand and agree that my (our) Application Package for Funds, all attachments thereto, and all correspondence relating to my (our) Application Package in particular or the Funds in general may be subject to disclosure and I (We) expressly consent to such disclosure. I (We) understand that I (we) may request that specific items in the Application Package be treated in confidence (to the extent permitted by applicable law), but absent such a request, I (we) further understand and agree that any and all correspondence to me (us) from AHFA or other AHFA-generated documents relating to my (our) Application Package may be subject to disclosure, and I (we) expressly consent to such disclosure. I (We) assume the risk of all damages, losses, costs, and expenses related thereto and agree to indemnify and save harmless AHFA and its directors, officers, employees, and agents against any and all claims, suits, losses, damages, costs and expenses of any kind (including, but not limited to, attorney's fees, litigation, and court costs) and of any nature that AHFA hereinafter suffer, incur, or pay arising out of its decision concerning the Application Package for Funds or the use of the information concerning the Programs and/or directly or indirectly resulting from or arising out of the release of information pertaining to my (our) Application Package pursuant to a request for disclosure. I (We) further waive, with regard to such Application Package, correspondence or other documents, any applicable rights of confidentiality that I (we) may have under section 6103 of the U.S. Internal Revenue Code or other provisions of federal law.

I (We) also agree that AHFA has made no representations about the effect of the proposed Funds upon my (our) taxes or that of any other person connected with this Project. The Application Package and other materials submitted, will be available for public review under the AHFA Open Records Policy and may be posted on AHFA's website. I (We) request that the financial statements contained in the Application Package be treated in confidence in accordance with applicable law. I (We) understand further that the Application Package and all other materials submitted become the property of the Alabama Housing Finance Authority, and will not be returned. I (We) have copied all materials and will retain them for my (our) records. Once the Application Package is submitted to AHFA, even though it may be prior to the Application cycle deadline, the Responsible Owner may not add or detract information unless requested by AHFA.

I (We) agree that AHFA may publish at its discretion information concerning the allocation of Funds to this project. Information released may include, but not be limited to, the name of the owner, Project name, location, phone number and the amount of Funds committed/reserved.

I (We) agree that the Project may not apply for a Qualified Contract until after the 19th year of the Extended Use Period, which is 4 years after the end of the 15-Year Compliance Period.

I (We) agree that AHFA may request additional information in order to evaluate this Application Package, including but not limited to credit and other information on all entities (a) owned in whole or in part by any owner(s) of the Ownership Entity or (b) in which any owner of the Ownership Entity has any involvement as a developer, contractor, or otherwise. Capital Needs Assessment (Part 1 & 2) Instructions

A Capital Needs Assessment Summary (Summary) must be prepared by the Project architect for each property involving rehabilitation of existing multifamily units or conversion of an existing structure to multifamily rental units. The Summary must be accompanied by an independent third-party Capital Needs Assessment (CNA) or a CNA provided by the project architect (licensed in the State of Alabama), in a form acceptable to AHFA. The CNA must be dated within six months of the date of Application Package. The architect will be required to certify that the improvements listed on the Summary are necessary to maintain a minimum of 15 years of affordable housing use. The Architect must also certify that the project meets AHFA's Design Quality Standards (DQS) and Construction Manual. Any exceptions to the DQS should be pre-approved by AHFA in writing (see **Deviation Request Form**). AHFA reserves the right to engage a consultant to verify the information contained in the CNA at owner's expense.

The Summary will be used to determine a Project's physical capital needs based upon the observed current physical condition of the property. The subject site, building systems, common areas, and the interior/exterior of a representative number of randomly selected units should be inspected. The selected unit samples (minimum of 50%) should represent a cross-section of unit types. All site improvements, common facilities, and building exteriors shall be inspected.

The Summary report shall include:

- 1) All repairs/improvements as specified in the CNA.
- 2) Any actions necessary to correct deficiencies in order for the project to comply with federal, state, and local laws; accessibility requirements; and AHFA's DQS and Construction Manual.

Any variances between the CNA and the Summary must be explained. Any/all supporting documentation addressed in the CNA must be provided to AHFA at the time of initial application. Items listed on the Summary must be for 100% of units/buildings. If not, a satisfactory explanation must be provided by the project architect detailing each variance for the applicable units and/or buildings. Only list work to be done and the associated costs in the Summary.

The Summary report contains a list of those items that are typically included in any accessibility evaluation. It is meant to provide guidance, but not intended to be all-inclusive. The estimated repair/replacement costs for materials, labor, overhead, and profit, should be provided.

The architect is required to document whether all items listed in Part 2 of the Summary have been replaced or added within the last three (3) years and list the method used for verifying the three year replacement date. This certification should only be made if the items on this page were replaced for 100% of the units/buildings during the past three year period.

All Responsible Owners must certify that any General Contractor selected by the Responsible Owner is licensed by the State of Alabama and certify their compliance with the applicable bid laws. The Responsible Owner must acknowledge their compliance with the applicable bid laws by completing and signing the certification of bid law compliance.

Identity of Interest. AHFA requires that the Responsible Owners identify the existence of an Identity of Interest with any other party to the project including the sale of real estate. "Identity of Interest" is defined as follows:

Parties that have an Identity of Interest are presumed to be sufficiently related for them to be treated as a single applicant for purposes of the HOME and/or Housing Credit Cap. As described below, AHFA may in its discretion, identify other parties whose relationship is sufficiently close to cause them to be treated as a single applicant for purposes of the Cap. A significant factor in the evaluation will be whether, based on the facts and circumstances, a primary purpose of a party's involvement in a project appears to be avoidance of the Cap.

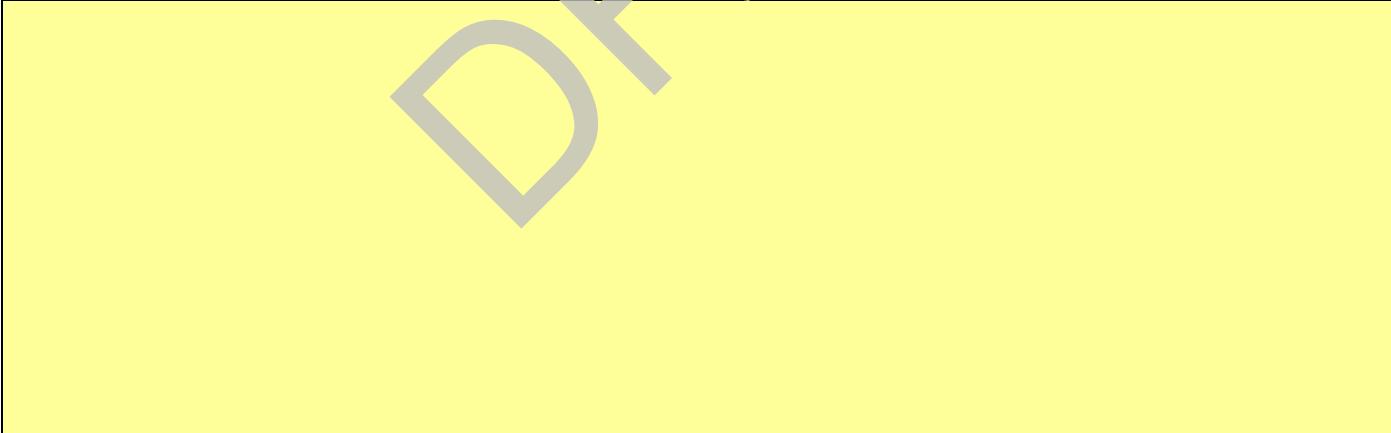

The following relationships constitute an identity of interest for purposes of identifying related parties in order to apply the Cap:

- (i.) Individual persons are considered related to each other (a.) if they have any of the following direct relationships: parent, child, spouse, son-in-law, daughter-in-law, father-in-law, and mother-in-law, including any such direct relationship created by marriage, remarriage, adoption, or any other legally recognized status, or (b.) if one individual is an employer, by common law or otherwise, of the other.
- (ii.) Entities are considered related to each other (a.) if any director, shareholder, partner, member or any other type of owner of any entity would be considered a related individual (under item a. above) to any director, shareholder, partner, member or any other type of owner of another entity, (b.) if the entity has the ability to control another entity, or (c.) if the entity owns a material interest in another entity. An entity will be presumed to control another entity if it has a percentage of ownership in the other entity or the ability to appoint a percentage of the members of the other entity's governing body (i.e., board of directors, board of trustees, partners, managers, etc.) that would permit it to control the other entity either by operation of law or by agreement. A material interest means any ownership interest in excess of 20% of the stock, partnership interests, membership interests or other forms of ownership of any entity; provided, however, that ownership interests held by Housing Credit investors, Housing Credit syndicators or special administrative partners or members shall be disregarded for purposes of 20% test.
- (iii.) Without limiting the above, a trust will be considered related to any individual or entity if any trustee, trustor, grantor, settlor, beneficiary, permissible distributee, any person or entity serving a role similar to the foregoing, or any person holding power of appointment (general or limited) over trust property would be considered related to the individual or entity under items a. or b. above.
- (iv.) Any other relationship which, while not specifically listed above, is determined to constitute an Identity of Interest because it is a relationship at least as close as an identity of interest described above or because it would permit an allocation that violates the intent of the Housing Credit Cap. For example, the facts and circumstances relating to relationships involving a former employer and employee or longstanding business partners could be determined to constitute an Identity of Interest.

Is there an identity of interest that meets the criteria above between any of the Development Team Members listed in the Application Package?

Yes No

If yes, disclose the Identity of Interest below (press ALT Enter to skip to next line):

Certification of Consistency with Consolidated Plan 2025

This Certification must be submitted for Housing Credit applications that have a commitment for local HOME funds from a Participating Jurisdiction. The Certification should not be submitted for applicants applying for AHFA HOME funds (except for an AHFA-approved CHDO applying in a Participating Jurisdiction) or Housing Credits only. If the proposed Project is in an area that is covered by a local Consolidated Plan, the Responsible Owner must have the Certification completed by an authorized official of the participating jurisdiction. If the area is not covered by a local Consolidated Plan, the Project will be governed by the State of Alabama's Consolidated Plan and this Certification is not required. In the event that the Certification of Consistency with Consolidated Plan is signed by someone other than the designated person(s) listed on the Consolidated Plan Coordinators-PJ's 2025 found at www.AHFA.com, it is the responsibility of the Responsible Owner to provide AHFA with evidence that the signor is authorized to execute this certification (attach evidence to this form).

(FOR HOME and National Housing Trust Fund APPLICATIONS ONLY) In order to comply with applicable regulations stated in the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), Application Packages for HOME and National Housing Trust funds must have the proposed seller(s) and purchaser(s) sign this form. If the proposed site is not being transferred, conveyed, or sold this form is not required.

This is a Voluntary, Arm's length Purchase Offer and a Disclosure to the Seller:

This pre-contract agreement is for the property located at the following address:

[REDACTED ADDRESS]

in [REDACTED], [REDACTED] County, Alabama, between the following parties:

Purchaser: [REDACTED] Address: [REDACTED]

Seller: [REDACTED] Address: [REDACTED]

Agreement Conditions:

The Purchaser is seeking federal funds through the State of Alabama's HOME Investment Partnership Program (HOME) or National Housing Trust Fund to acquire property owned by the Seller to construct a multifamily rental Project. In accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Policies Act of 1970, and "Choice-Limiting Activities" as amended, and all rules and/or regulations implemented or promulgated thereunder, the seller of said property is hereby notified that

-Voluntary Sale -

- 1 The Purchaser does not have the right of eminent domain, or, if the Purchaser has the power of eminent domain, the Purchaser will not exercise this power.
- 2 Because this is a voluntary transaction, the Purchaser will not be able to acquire the property offered for sale if negotiations fail to result in an amicable agreement.
- 3 The Purchaser has informed the Seller of the property that the estimated fair market value of the property is \$ [REDACTED].
- 4 Even though federal funds will be used in the acquisition of the Seller's property, the Seller WILL NOT be entitled to any relocation benefits.
- 5 Any tenant legally occupying the property is eligible to receive relocation assistance and benefits as identified in the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA) of 1970, as amended.

-Timely Notices-

- 1 The Seller authorizes the Purchaser, the funding agency, or a designated representative, to provide to each resident the notices required by HUD's instructions found in HUD Handbook 1378.
- 2 The Seller authorizes the Purchaser, the funding agency, or a designated representative, to provide, or permit to be provided, a notice of denial to any person who wishes to make application to become a tenant. Before signing a lease and commencing occupancy, the person must be informed of the following:

- A If the application is funded, the person may be displaced; and,
- B The person would not qualify as a “displaced person” as a result of the project and therefore would not be eligible to receive any assistance or benefits.

-Recordkeeping-

- 1 The Seller agrees to provide the Purchaser, the funding agency, or a designated representative, the names and addresses of the residents residing in the property.
- 2 The Seller authorizes the Purchaser, the funding agency, or a designated representative, to survey the residents to determine the relocation costs and housing needs.

According to the Real Properties Acquisition Policies Act of 1970 with HOME funds, an activity or series of activities in a HOME assisted project that are integrally related, each essential to the others, whether or not all of the component activities receive HUD financial assistance, are subject to HUD's implementing instructions.

“Choice-Limiting Activities” Prohibited:

NEPA requires that no “choice-limiting activities” occur relating to the proposed project or at the project site **from the time the applicant submits a HOME Program application to AHFA until the NEPA environmental assessment process is complete** (the “Prohibited Period”) (see 24 C.F.R. § 58.22).

The Responsible Owner must take all actions necessary to ensure that no participant in the development process (including the applicant, Ownership Entity, all Development Team Members, contractors, subcontractors, current property owner(s) or any other person) commits non-HUD funds or undertakes an activity that would have an adverse environmental impact or limit the choice of reasonable alternatives relating to the proposed project or project site.

For projects applying for HOME Funds (regardless of whether any other form of funding is received), prohibited “choice-limiting activities” include, but are not limited to, acquiring, purchasing, rehabilitating, demolishing, converting, leasing, or repairing all or any portion of the project as well as disturbing the ground or commencing any form of construction at the project site. All such “choice-limiting activities” are prohibited during the NEPA environmental assessment period that (a) begins with delivery of the application to AHFA and (b) ends with AHFA’s issuance of the Notice to Proceed, which typically occurs at the pre-construction meeting conducted at AHFA’s offices in Montgomery.

The Responsible Owner may conduct land surveys of the property or perform other de minimis activities only if they do not constitute, or result in, any of the “choice-limiting activities”. If the Responsible Owner or Seller has any question concerning whether an activity constitutes “choice-limiting activities”, AHFA strongly recommends that the Responsible Owner or Seller seek prior written consent from AHFA for such activity; otherwise, the activity could result in termination of the Application Package.

The Responsible Owner must take all actions necessary to ensure that no participant in the development process (including the Responsible Owner, Seller, contractors, subcontractors, current property owner(s) or any other person) undertakes or permits any “choice-limiting activity” during the Prohibited Period. By executing this form below, Seller agrees with the Responsible Owner not to under any circumstances commence (or allow any other party to commence) any “choice-limiting activities” at the Project during the Prohibited Period without AHFA’s prior written permission.

If “choice-limiting activities” occur at a proposed Project or Project site during the Prohibited Period, regardless of whether the Responsible Owner and/or Seller consented to the activity or had knowledge of it, the Application Package will terminate and will not be considered for funding. AHFA reserves the right to inspect a site at any time after submittal of an Application Package to confirm that no “choice-

limiting activities" are taking place.

Agreement Acceptance:

The Purchaser and Seller understand that if the conditions of this Agreement are not complied with, either party may terminate the real property option to purchase by notifying the other party by certified mail, return-receipt requested, that the Contract is terminated. The Purchaser and Seller: 1) voluntarily accept these Agreement conditions; and, 2) agree to enter into a Contract for the property identified.
