

MIGHT GOD BE CALLING YOU?

“What do you want to be when you grow up?” Over and over we hear that question, from pre-school through high school. In high school, that question gets more serious, as it determines your preparatory courses and activities. Yet, a more important question is, “What is God calling you to become?” Might He be calling you to become a pastor, teacher, family life minister or musician in His Church for the furtherance of His Kingdom?

TRINITY TIME

An overnight retreat for high school students exploring church work callings.

JULY 7-8

Sunday 1:00PM - Monday 6:00PM

Cuaa.edu/TrinityTime

For over fifty years, the Lord has used Concordia University in Ann Arbor to raise up church workers for His Kingdom work. Our instructors have seen how God leads young people to make them faithful servants of the Word as pastors, teachers, family life ministers and church musicians.

Trinity Time is an overnight retreat for high school students to learn about church work vocations by spending time with Concordia faculty and students, explore their own sense of calling through study of the Word and hands-on activities, and simply grow in the grace of God and the joy of His salvation in Jesus Christ.

For logistical reasons, participation is limited to 25 students. Separate dormitories will be available for boys, girls, and parents. All meals are included. Enroll today.

SERVANT EVENT

Concordia has the advantage of being located within easy driving distance of vibrant urban, rural and suburban ministries. This year's participants will have the opportunity to bless a ministry where the Spirit of God is active in extending God's kingdom in the world.

CANOE TRIP/NATURE WALK

Participants will spend time in God's good creation reflecting on the wonder of His handiwork. All Church work vocations must begin with the fact of creation. We are made by God. We belong to Him. His care is constant and faithful.

Trinity Time will include reflection on the works of God—Father, Son and Holy Spirit—as God is active in our creation, redemption, sanctification. In each segment of the retreat, we will open the Scriptures to consider God's works and how He is calling us to care for His creation, proclaim His redemption, and live the holy life which He gives us in Christ Jesus.
