

June 12, 2026

Dear Presbytery of Donegal EOM,

The Mission Committee and congregation of Eastminster Presbyterian Church thank you again for the generous two-year grant.

I want to take the end of the school year to send you a quick update! We have used the grant money to purchase food for the backpacks since November 2025, when EPC received the first portion of the two-year funding. EPC volunteers continue to donate their time and manpower to pack the food for the students to take home over the weekend. These resolute volunteers meet weekly to assemble the backpacks and, with your generous donation, they keep the mission running flawlessly. This

established EPC ministry supports the children of our local elementary and middle school. Both schools are located within a few miles of our church campus and are a part of our immediate community.

We remain grateful for your faithful support of the ministry we believe God has called us to do, and look forward to providing you with more updates when we start the 2026 school year.

We ask that you lift the ministry and the children we serve in your prayers. With God's help, we will continue to maintain and grow the food program as He sees fit. With boldness, we ask that you pray for the children who receive the backpacks to be nourished in body and spirit and thrive without hunger.

Peace,

Beth Magid, EPC Missions Elder, & Mission Committee
