

## September 22, 2020 Presbytery of Donegal Gathering by Zoom

---

We are excited to have our second online virtual Presbytery Gathering by Zoom, a way to connect on our screens or audio. This might be new to some, and we know there will be some learning. We'll be patient with ourselves and with each other -- and we believe that this will help us stay connected to one another and to God through this time as we learn together. **If you have trouble connecting to the Practice sessions – please call or text Stated Clerk Michael Wilson at 717-572-1730.**

### Getting Zoom Set-Up for The First Time

There are a couple of ways to connect -- on a desktop/laptop computer, on a tablet OR smartphone, or calling in from a phone (which means you will be able to hear others but not see them).

1. **On a desktop or laptop computer:** Go to this link: <https://zoom.us/signin> Then click on "download" under "Zoom Client for Meetings." Follow the instructions to install this program on your computer.
2. **On a tablet/smartphone:** On your ipad or iphone - Go to the app store and search for "zoom cloud meetings." Download the app. On your google/android phone: Go to the app store and search for "zoom". Download the app.
3. **Dialing in By Phone Instead:** In the invitation above, there is the phone number to dial in, no computer or smartphone needed! Dial the phone number and enter the code and follow the instructions you are given when you call.

Thanks -- we look forward to seeing one another, talking with one another, and connecting to God together!
