*Thanks to the funds Hopewell received from the Presbytery we were able to complete the painting project at Hershaull Park in time for this years Vacation Bible School. VBS has been held in the community around Cross Roads jointly with the local churches Hopewell & Round Hill Presbyterian and Cross Roads Methodist for 81 years and Hershaull Park has been jointly owned& maintained by the churches for 77 years. Note: VBS hasn't always been held at the park sometimes it was at the church buildings but the park is important to the faith community in the area. Here are a picture of VBS last week and (2) of the painted building. Thanks again for your support.*
