## Music Fundraising Made Easy!

Q: What is scrip?

A: Scrip is fundraising while you shop. Use gift cards to pay for everything in your life- from groceries to gas!

Q: what makes Scrip special?

A: It's a no pressure, easy, and highly profitable fundraising process

Q: How does it work?

A: Our coordinator (Michelle Pauley) is happy to answer questions and she's included her info here, but she highly suggests to check out youtube! Simply enter "Shop with Scrip" in the search bar in you tube. Additionally, Shop with Scrip has a new app!!! It's called Raise Right (available in the App Store or in google play). Please also search for "shop with scrip raise right app" in the search bar in you tube. Michelle Pauley's information:

Q: Now that I've read this and watched the video's how do I sign up?

A: Sign up at:

[Www.shopwithscrip.com](http://Www.shopwithscrip.com) click enroll/register in a program

Join a program

Enrollment code: **6E3L12A763L14**

Q: What's the best way to pay for these gift cards?

A: The easiest way to pay is by registering your bank account. Which, I know, sounds "scary" but it works and is low cost! The credit card payment costs 2.9% which unless your credit card has a higher return than that- there's no point!

Q: I see there are three types of gift cards: physical Gift cards, e-gift cards, and reloads.... What does that mean?

A: Physical gift cards: get sent to the CHURCH one time per month (please use this option only when you have to)

E-gift cards: get sent to you automatically (or to whomever you sent it to if you've selected the "make this a gift" option) you will find those cards in your "wallet"

Reloads: Reloads are a really great option but you MUST have purchased an initial physical gift card from scrip, register your card, and then you may reload that card at any time!

Q: I have more questions. Who do I talk to?

A: Call/text/email our Scrip Coordinator: Michelle Pauley. She's used this program for 10 Years and raised over 6k for various non-profits with Scrip!!!
