

CITY OF FORT LAUDERDALE

NOTICE OF UPCOMING LANE CLOSURES RELATED TO SANITARY SEWER PROJECT

The City of Fort Lauderdale and Lanzo Construction are launching a multi-phase infrastructure improvement project along the city's wastewater network.

Phase 1 of the project will soon begin in the Harbordale neighborhood.

These improvements are designed to enhance the reliability, capacity, and environmental safety of Fort Lauderdale's wastewater system.

WHERE

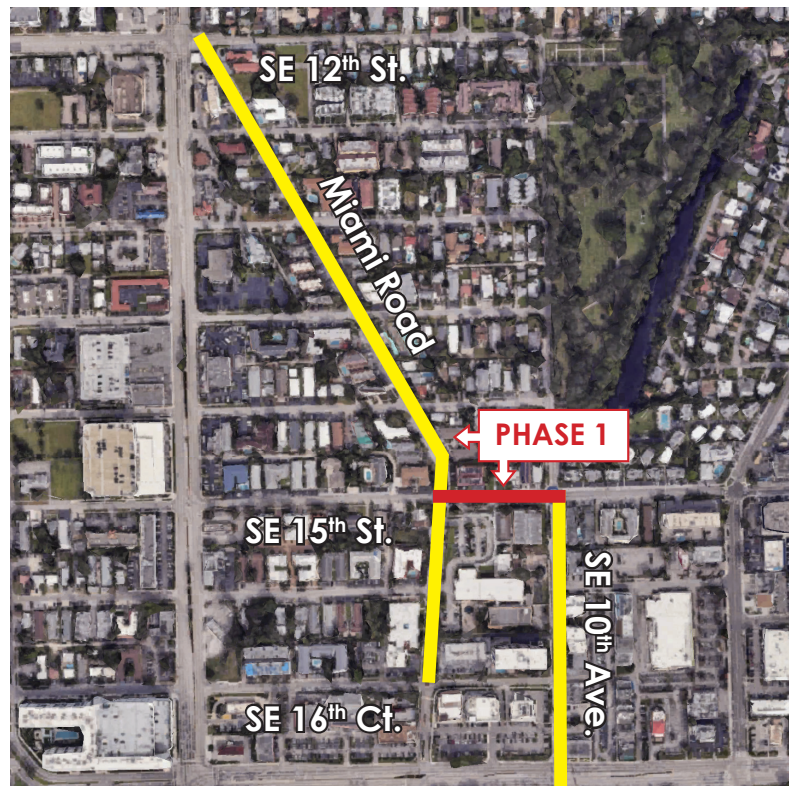

Construction will occur along southbound Miami Rd. and SE 10th Ave. and along SE 15th St. between Miami Rd. and SE 10th Ave, near Harbordale Elementary School.

WHEN

Phase 1 construction will begin in **June 2025** and is expected to be completed in **August of 2025**.

TRAFFIC IMPACT

- Lane closures and detours will be in effect
- Increased traffic congestion
- Movement of construction vehicles
- Pedestrian crosswalk impacts
- Delays in public transit may occur

Partial lane closures Southbound Miami Rd. and SE 10th Ave.
Full lane closure on SE 15th St. between Miami Rd. and SE 10th Ave.

CITY OF FORT LAUDERDALE

NOTICE OF ALTERNATE PARKING IN HARBORDALE AREA

The City of Fort Lauderdale is launching Phase 1 of a major infrastructure upgrade as part of the Force Main Rehabilitation Project from Sunrise Boulevard to George T. Lohmeyer.

Phase 1 will focus on the Harbordale Elementary School Area, aiming to repair and upgrade sewer force main pipelines to enhance system reliability and safety.

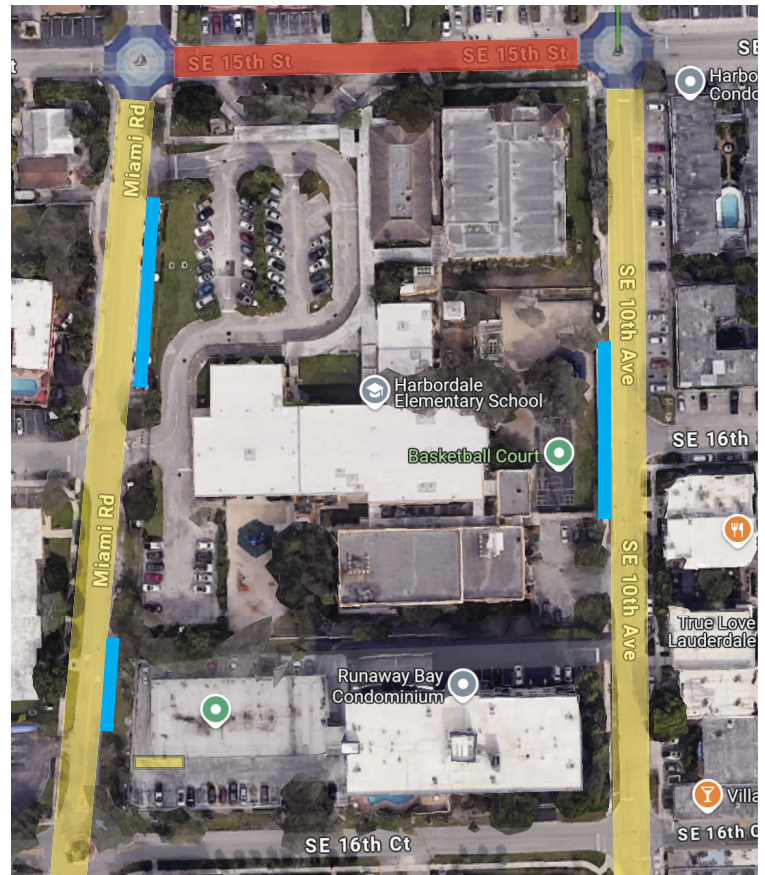

ALTERNATE PARKING

Alternative parking zones are available for residents on SE 15th St. during construction hours. Please refer to the image for designated Harbordale neighborhood parking areas.

TRAFFIC IMPACT

- Partial lane closures Southbound Miami Rd. and SE 10th Ave.
- Full lane closure on SE 15th St. between Miami Rd. and SE 10th Ave.
- Increased traffic congestion
- Construction vehicle movement throughout the area
- Pedestrian crosswalk safety precautions
- Potential public transit delays
