Happenings

Back to School Edition 2025

Morning Drop-Off:

Students can start arriving as soon as 7:20am. If the student is being dropped off, enter into the parking lot off of Greenville using the far (west) entrance and then loop around to the entrance closest to the school as you exit.

Do not park along the curb in the bus zones. Please drive as far forward as possible to help the flow of traffic; students should only be dropped off in the parking lot. We thank you for your patience as there are times when traffic is heavy. On every day except Wednesdays, students will be outside until 7:40, so please encourage them to dress in layers!

Afternoon Pick-Up:

When picking up after school, please park in the rear of the school anytime after 2:15pm (entering in the same way as the morning). Students will come out with their classes and will be dismissed to parents once all busses have departed.

Bring a Book!

We strongly encourage every student to have a book to read during downtime or transitions. [HERE](#) is a list of book ideas. Students will also be able to check out books during library time, which will begin the week of September 15th.

Independent reading nurtures wonder, cultivates virtue, and strengthens the imagination by inviting students to encounter truth, goodness, and beauty on their own. In the quiet of reading, children learn attentiveness and self-mastery, habits that form the heart of a Classical Liberal Arts education. By reading independently, they grow not only in knowledge, but also in wisdom, preparing their minds and souls to seek what is eternal.

Diocesan Form

Please fill out this required [DIOCESAN FORM](#), either by downloading, saving and emailing it to j.yohnk@macs.k12.wi.us or printing it out and bringing it in to school.

Volunteers

We would love your help with lunch or recess duty! You can choose any day or time between 11 and 12. Even if you cannot come every week or for only 20 minutes, we appreciate your help! Please email g.doyle@macs.k12.wi.us.

Handbook
