

Hello MACS Families!

As we eagerly look forward to another school year, the Campus Ministry department would like to offer your incoming middle school and high school students the opportunity for an additional faith formation opportunity through our local Catholic parishes. Wednesday night youth groups are again being offered at St. Charles parish with the return of our “EDGE” program for incoming middle school students and “Life Teen” for high schoolers. Both of these programs invite your children to grow in faith, mentorship, and fellowship through a focused, small-group discussion model. These are an excellent compliment to the robust faith formation already happening on our campus.

Our deepest desire is to offer your children as many opportunities to encounter the love of Christ as possible. Consequently, we wanted you to know that the registration fees for both of these programs are waived for all families currently enrolled at MACS. Simply click on the link below to register your middle school or high school children.

**Please note:** *If you are also a member of one of our local parishes, please **disregard** any other registration links you receive through parish websites, emails, or bulletins, as the link provided in this email will allow you to register without the standard program costs, whereas the parish links will not.*

Thank you for your continued support of our administration, faculty, and staff as we continue to strive for excellence in the mission of Catholic Schools. May God bless us all as we embark on another year of helping the children of our community flourish.
