SCOOP

September 1st

PRINCIPAL MESSAGE

Dear Families,

What a wonderful first week back! The energy and joy of having our students together again has been such a blessing for our school.

This year, our teachers will be participating in a year-long training in Love and Logic, a program that equips educators with practical strategies for building strong relationships, guiding students in responsibility, and fostering a positive learning environment.

Throughout the year, I'll also be sharing little tips and resources with you, so that you can learn more about how Love and Logic works at home, too.

To get started, here is a short video introduction: [Love & Logic Overview](#).

Reminder: There is no school on Monday, September 1st. Enjoy the long weekend, and we look forward to seeing you next week!

Blessings,

Mrs. Dodge
