## **Selling of Chametz**

Traditionally, any Chametz (leavened foodstuffs like whiskey or pasta) not consumed, burned or otherwise disposed of prior to Pesach is put in a sealed cabinet. It must be "sold" in a ritual fashion to a non-Jew. Rabbi Richard Perlman will serve as your agent for the sale so that it may be carried out according to Jewish law. There is no charge for this service, but a donation for Maot Hittim (food for the poor) is traditional.

**Funds collected from the selling of Chametz will be donated to the following:**

### **Family Promise**

*Since May of 2013, Family Promise has worked on the North Shore to find housing for families and help them get back on their feet. Family Promise works intensively with a small number of families at a time, dedicating many hours per week to ensure each family has the services they need to be successful. Children are able to continue their usual school routine and remain in their normal school system, providing them with a sense of stability during this time of transition for their family. None of the families that have "graduated" from the program have experienced homelessness again.*

### **ADL (Anti-Defamation League)**

*ADL makes an impact on millions of lives each year. Its mission is to stop the defamation of the Jewish people and secure justice for all people, irrespective of religion, color, national origin, ethnicity, gender and sexual orientation. It is best known for standing up against hate. ADL is a leader in documenting, speaking out and enhancing security against anti-semitism in religious institutions, schools, communities and cities throughout the US and in the World.*

### **Magen David Adom**

*MDA operates from 169 stations across Israel, providing life saving medical treatment to 2,200,000 people annually. MDA is the first to respond to any and all crisis situations, including rockets, terror attacks, natural disasters, road crashes and more. MDA is made up of staff and volunteers from different religions, backgrounds and ethnicities that believe in one thing: to save lives and to respond immediately in crisis. MDA also operates humanitarian aid projects in Israel and abroad (link). In 2006, MDA was accepted as a member of the Red Cross Movement, allowing it to increase involvement in the global humanitarian endeavors.*
