

PRE-RETIREMENT WEBINAR:

HEALTH INSURANCE & EARLY RETIREMENT

Please join us for this free, WSSRA hosted event.

Choosing a health plan when switching from work to retirement is complicated. Doing it before Medicare eligibility at age 65 is complicated AND expensive. It shouldn't be that way!

If you're wondering what it takes to find medical insurance for an early retirement, please join us on October 27. Representatives from the State Health Care Authority and the Washington Health Care Exchange will give presentations and be available to answer participant questions.
