Why Should a Provider Carry Accidental/Medical Insurance?

Many of our members carry this valuable, affordable insurance. It is the most important insurance a provider can take to protect him/herself against an accident on his/her premises for a child, parent, or assistant getting hurt and needing medical care. We encourage providers to consider this membership benefit. Accident claims must be filed within 90 days of the incident in order for the claim to be covered.

THIS IS NOT LIABILITY INSURANCE.
