CDI/MCDTR 2024 Workshop – “Engaging in Collaboration Across the Research Spectrum: A MCDTR/CDI Workshop”

November 15, 2024

NCRC, Building/ 10/South Atrium/Room G00S030
(Virtual Option Available)

The Michigan Center for Diabetes Translational Research and the Caswell Diabetes Institute are pleased to invite you to join us for the 2024 Workshop- “Engaging in Collaboration Across the Research Spectrum: A MCDTR/CDI Workshop”

As one of our valued members of the diabetes research community and/or a recent pilot grant award recipient we are hosting a gathering of investigators whose work is in this topic area.

This invitation-only event will provide attendees an opportunity to network with other investigators and experts in the field, offer time to network and exchange ideas and provide insight into future funding opportunities through NIH/NIDDK.

Proposed Agenda

Friday, November 15

- | | |
|------------|--|
| 8:30 a.m. | Networking Breakfast |
| 9:00 a.m. | Welcome and Workshop Overview
Jaclynn Hawkins, PhD Associate Professor, MCDTR P/F Co-Director; Director, Curtis Center for Health Equity |
| 9:25 a.m. | Keynote: Collaboration Across the Research Spectrum—A Case Study and Lessons Learned
Amy Rothberg MD, DABOM, Clinical Professor of Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Adjunct Professor, Nutritional Sciences |
| 10:15 a.m. | Funding Priorities at the NIH/NIDDK;
Shavon Artis-Dickinson, Program Director, Health Equity and Implementation Science, Division of Diabetes, Endocrinology, and Metabolic Diseases, NIDDK/NIH |
| 11:00 a.m. | Collaboration Across the Research Spectrum—Examples from the Field
