### Overview of Workshop

A leading mycologist in our region will share his experience and expertise on fungal rate of growth and possible ways to logically estimate date of growth. Can professionals answer the often-asked question “how long has this mold been in this building”?

Also, an experienced industrial hygienist will discuss strategies to determine whether mold in a building is related to a covered cause of loss on an insurance claim.

#### Speakers

Payam Fallah, PhD  
Mycologist/Indoor Air Quality  
IDEHL Laboratory  
Sammamish, WA

Michelle David, MS  
Industrial Hygienist  
Wood Environment & Infrastructure Solutions, Inc.  
Seattle, WA

#### Educational Units

ABIH (CIHs) – 0.33 CM Points  
ACAC- Email [mike.s.smith@woodplc.com](mailto:mike.s.smith@woodplc.com) for certificate

#### Lunch is Provided

Buffet lunch will include salad, rolls, wild rice, veggies, chicken and beef brisket, and dessert. Coffee, hot and iced tea and ice water will be provided.
