## EARLY BIRD RATES NOW AVAILABLE

### 2017 Asia Pacific Insurance Conference (APIC17)

The first major program release for the 2017 Asia Pacific Insurance Conference is now available for viewing via the Conference Website. This program shows the diverse range of sessions taking place at this exciting Conference.

Held from the 18th – 20th October 2017 in Singapore, APIC17 uniquely draws together regional and international experience and expertise to host an insurance industry conference that will provide a singular opportunity to focus attention on insurance issues that are relevant to the Asia Pacific region specifically, and globally as a whole.

APIC17 is the first Asian regional conference organized by a collection of major insurance related organizations, affiliated under the auspices of the International Insurance Law Association/Association Internationale de Droit des Assurances (AIDA).
