These classes cover a variety of techniques! 10AM-5PM - \$199 if you need machine provided - \$150 if bring your own Triumph

There is certainly more than meets the eye in the Tidal Wave Runner serger class! This double pointed runner will have you serging the wave, the Wave Stitch, that is. Block piecing is accomplished by the Wave stitch as well as over lock stitching. Pin tuck textures and covered cording are also featured in this bright table topper. You will find the

Single Fold Bias Binder a great tool as it helps to create an opening for turning the project right side out!

Come ride the waves of improvisational surface decoration with the serger! The Dynamic Dorian Clutch class will spin you easily into learning new ways to use the cover stitch, pin tucks, flat lock and more! You will strip piece the surface and then embellish to your heart's desire. Final steps take you to zipper insertion and gathering as you complete this vibrant accessory!
