

OPPORTUNITIES FOR ADULTS TO GROW IN FAITH

"Growing in Faith" - Sunday mornings at 9:45 in the fellowship hall

On February 23rd the class will begin a new study facilitated by Greg Twait.

Over the next few weeks the class will be looking at the 2023 ELCA social message *Earth's Climate Crisis*. We will be discussing why this message claims that climate change presents humanity with a kairos moment; that is, a critical moment in time when God is leading us into decisive action. We will be using the study guide that the ELCA developed for this message along with videos to better understand ways that Christians can address climate change.

Discipleship Class – Sunday evenings at 5 in the church parlor

The 5:00 Discipleship Group will continue with their study of *The Chosen* - Season 4. It is not necessary to have seen seasons 1-3, but if you would like to join us, all seasons are available here: <https://watch.thechosen.tv/page/seasons%201-3>

We'd love to have you! The study guide, *God's Goodness for the Chosen: An Interactive Bible Study Season 4 (Volume 4)*, is optional and can be purchased at Amazon.
